SUBJECT: Black Bear Captured

The black bear who has been wandering the more wooded areas/ neighborhoods of Central Hoquiam was captured in the DFW trap this morning. The bear will be relocated out of the area of the city by DFW officers today.

Sgt. Krohn, who is one of our graveyard Patrol supervisors, has been taking photos of the bear at night. He looked at the bear in the trap and is not sure it is the same one he has been observing eating apples at night.
