The person requesting a public record must provide his or her name and contact information. Requests that omit this information will not be processed.

If a request is made on behalf of an entity or other person, the requestor is required to provide all of the following information: the name of the other person

or entity, the requestor's name, and the requestor's relationship with the other person or entity.

C. Processing Records Requests.

The public records officer will make every effort to work with the requestor to clarify the request and to provide responsive records within the estimated timeline. In this policy, "working days" means days in which the court is open.

The request will be closed if a response sent by mail to the requestor at the address provided in the request is returned or undeliverable and no other contact information has been provided.

2. Protecting Public Records.

Original public records shall not be removed from any city agency, except under the direction of the public records officer.

3. Electronic Records.

Electronic records will be provided in a format specified by the requestor where practicable. The court does not warrant or in any way guarantee the accuracy or completeness of any public records that are sent electronically through the internet.

Records that require redaction or other manipulation may be provided in the format determined by the court and the corresponding fees may be imposed, including time for preparing redacted records.

4. Fees for Public Records.

The Court will charge a requester for research time required to locate, obtain, or prepare the records at a rate of \$30 per hour for any request taking longer than one hour beginning with the second hour, and prorated in increments of 15 minutes. The payment of estimated copying or production fees may be required by the court before performing any work necessary to produce the records for the requester. Payment will be accepted by check or money order.

Standard Fees:

D. Procedure for Review of Court Response.

Any requestor who objects to the response to his or her public record request may seek review by using the following procedure:

- c. Internal Reviews will be conducted by the Presiding Judge, or by another judge that the Presiding Judge designates to conduct the review without a hearing.
- d. Internal reviews are administrative in nature and are not a court hearing.
- e. The internal review will be held within five business days of the date the request for review was received if reasonably possible, or, if not reasonably possible, will be scheduled for review within five days for the earliest practical date.

2. External Review.

Only after an internal review is conducted, the requester may seek external review under GR 31.1(d)(4). A request for external review must be submitted within 30 days of the issuance of the final decision of the internal review. There are two ways to seek external review.

a. Civil Action.
